

UCI School of Humanities

Policy for Readmission after Disqualification

If you have been disqualified from UCI and would like to be considered for readmission in the School of Humanities, the following criteria must be met:

1. You must complete at least **4 preapproved** UC-transferable courses that are applicable to a UCI Humanities major, the Humanities Core Alternative, the Humanities Language other than English requirement, or UCI General Education. If none of these options are available, courses in a UCI Humanities discipline may be acceptable.
2. You must earn a 3.0 GPA average in your four preapproved courses and overall in all transfer courses taken after your UCI disqualification.
3. All transferable courses must be completed, and official transcripts received, prior to the readmission deadline.

Important Notes

- Use www.assist.org to choose approved courses. Check that all courses are UC-transferable and do not duplicate coursework already completed.
- To receive preapproval for courses applicable toward readmission, please fill out an Advance Contract found here: www.humanities.uci.edu/undergrad/students/forms.php.
- Coursework completed outside of the UC system does not contribute grade points toward your UC GPA.
- If you have not yet satisfied the UCI lower-division writing requirement, you must complete courses to satisfy this requirement in order to be considered for readmission.

Change of Major

- If you would like to be readmitted into the School of Humanities with a major other than your current declared major, you must satisfy the Humanities Change of Major criteria: (www.changeofmajor.uci.edu/).
- If you would like to be readmitted into a School/major other than Humanities, please contact the advising office for the major you wish to pursue: (www.admissions.uci.edu/resources/academic_counseling.html).
